notes: <http://www.gov.scot/Topics/marine/Licensing/fishintros/appguid> (copies available from MSS

Freshwater Fisheries Laboratory)

1. Applicant (Guidance note 1)

Title	<input type="text"/>	First Name	<input type="text"/>	Surname	<input type="text"/>
Organisation	<input type="text"/>				
Address and Postcode	<input type="text"/>				
	<input type="text"/>				
	<input type="text"/>				
Telephone no. (daytime)	<input type="text"/>	Fax no.	<input type="text"/>		
mobile	<input type="text"/>				
E-mail	<input type="text"/>				

2. Previous Applications (Guidance note 2)

Has the applicant applied for introductions consent previously? Yes ☐ No ☐

If yes were any of these applications for the same receiving water? Yes ☐ No ☐

3. Receiving Water (Guidance note 3)

Name of water	<input type="text"/>															
Nearest Town	<input type="text"/>															
Give ordinance survey grid references or supply a map showing the location(s).	e.g.	<table border="1"> <tr><td>NN</td></tr> <tr><td><input type="text"/></td></tr> <tr><td><input type="text"/></td></tr> <tr><td><input type="text"/></td></tr> </table>	NN	<input type="text"/>	<input type="text"/>	<input type="text"/>	<table border="1"> <tr><td>123</td></tr> <tr><td><input type="text"/></td></tr> <tr><td><input type="text"/></td></tr> <tr><td><input type="text"/></td></tr> </table>	123	<input type="text"/>	<input type="text"/>	<input type="text"/>	<table border="1"> <tr><td>456</td></tr> <tr><td><input type="text"/></td></tr> <tr><td><input type="text"/></td></tr> <tr><td><input type="text"/></td></tr> </table>	456	<input type="text"/>	<input type="text"/>	<input type="text"/>
NN																
<input type="text"/>																
<input type="text"/>																
<input type="text"/>																
123																
<input type="text"/>																
<input type="text"/>																
<input type="text"/>																
456																
<input type="text"/>																
<input type="text"/>																
<input type="text"/>																
Additional grid references can be given at section 9.																
Site Registration number (if registered as a stocked fishery)	<input type="text"/>															

4. Details of receiving water (Guidance note 4)

Type of water (please mark all boxes that apply)

Stream or River ☐

Canal ☐

Stillwater ☐

Fully enclosed ☐ (waterbody has no physical connection with a river system, either permanent or temporary)

Online ☐ (waterbody with any sort of physical connection with a river system, either permanent or temporary)

Screened ☐ (waterbody has a screen on outflow to prevent exit by all or some sizes of fish)

Manmade ☐

Natural ☐

Liable to flooding ☐

Has the receiving water been stocked before? Yes ☐ No ☐

If the waterbody is screened, what size of fish are the screening arrangements designed to contain?

For stillwaters – approximate size of stillwater acres hectares

Is the receiving water within a statutorily designated nature conservation site such as a SSSI or SAC?

Yes ☐ No ☐ Unknown ☐

If yes what is the designation?

5. The fish introduction (Guidance note 5)

Purpose of introduction

Planned date of introduction (single consent)

Start and end dates (block consent) From

To

Approximately how many separate stockings will be included?

What is the likely pattern of stockings (e.g. single, once a month, weekly, quarterly)?

Details of fish

(NOTE: numbers provided should be the total numbers of fish to be introduced over the entire period of consent)

Species	Life Stage*	Average Size (length/weight – cm/kg)	Total Number	Ploidy T - triploid D - diploid

*Ova, Fry, Juvenile or Adult

6. Supplier(s)(Guidance note 6)

Title First Name Surname

Organisation

Address and Postcode

Telephone no. (daytime) Fax no.
mobile

E-mail

Supply site name Reg no.

Is the supply site the subject of a designation notice, or any other form of control restricting the movement of fish?

Yes ☐ No ☐

Please supply details of any additional suppliers in section 9.

7. Source of the fish to be introduced (Guidance note 7) Only complete for fish sourced from the wild or of wild broodstock origin. Additional grid references can be given at section 9.

Give ordinance survey grid references or supply a map showing the location(s).

e.g.

NN

123

456

Environment Agency Reference number of consent if removing fish from England or Wales

Is the source water the subject of a designation notice, or any other form of control restricting the movement of fish?

Yes ☐

No ☐

Unknown ☐

Were the fish reared on in a fish farm or hatchery?

Yes ☐

No ☐

Unknown ☐

8. Hauliers (Guidance note 8) Only complete if different from supplier

Company name

Address and
Postcode

Please supply details of any additional hauliers give details in section 9.

Holding Facilities

Will the fish be retained in a temporary holding facility before introduction?

Yes ☐

No ☐

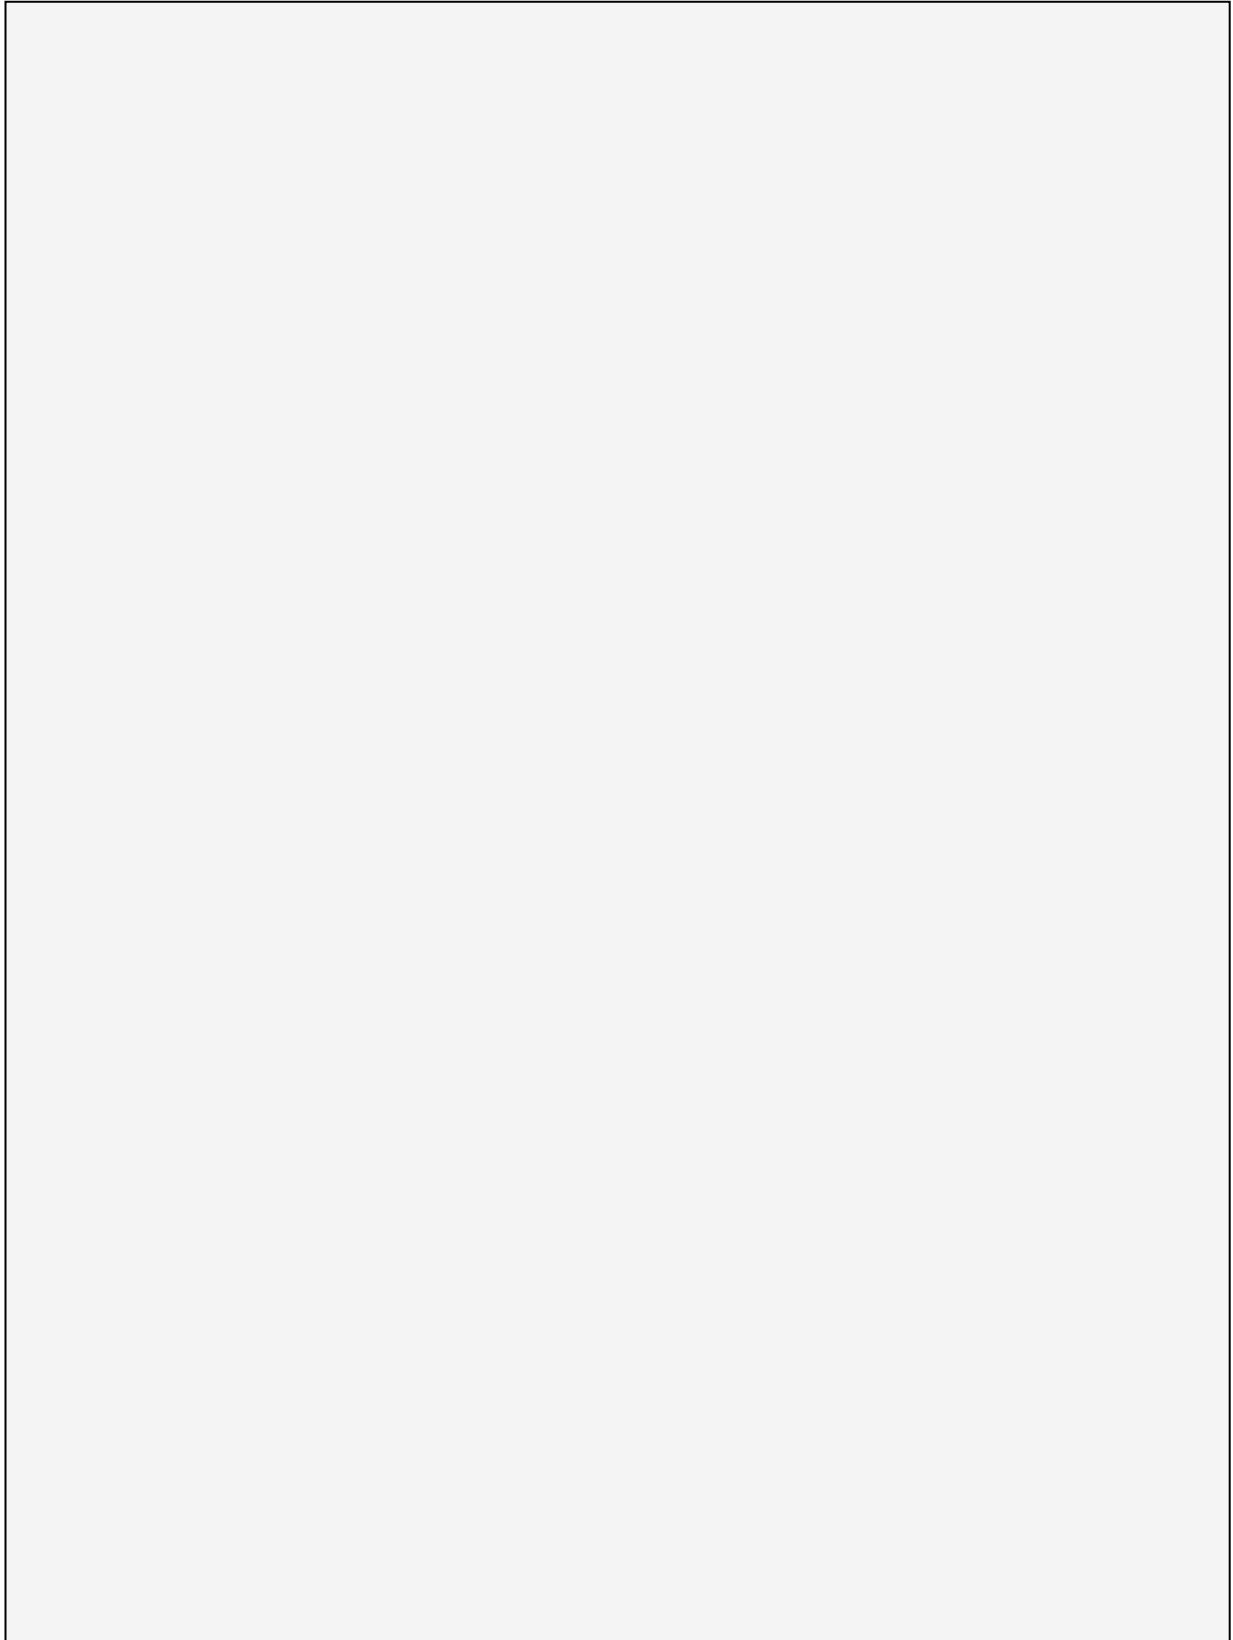

Unknown ☐

If yes please provide details:

Address and
Postcode

Length of time in holding facility

9. Additional supporting information. Please use this space to give any additional information you feel may be supportive of your application and as extra space to provide or expand upon information requested previously.

10. Data Protection *Marine Scotland Science processes your information in accordance with its statutory regulatory functions under Section 33A of the Salmon & Freshwater Fisheries Consolidation Act 2003. The information collected on this form and any supporting correspondence will be used to undertake licensing functions and, for this purpose, all information collected may be shared with relevant third parties. Selected information gained during the application process may appear on our website. The data protection notice can be found in the accompanying guidance notes.*

11. Signature and declaration –

If you give any information which is incomplete or inaccurate we will:

***Return you application**

***Be unable to grant consent**

Declaration

I have read and understood this form and the accompanying guidance, including the data protection notice. To the best of my knowledge and belief, the information I have given is complete and correct. I understand that Marine Scotland Science may require additional information from me at my expense to allow a decision to be made.

Tick box to confirm declaration ☐

Signature

Date

Please post the completed form to: MSS Freshwater Laboratory, Faskally, Pitlochry, Perthshire PH16 5LB.

If you wish to submit your application by email, send it to:

[MSSFFIntroductions @scotland.gsi.gov.uk](mailto:MSSFFIntroductions@scotland.gsi.gov.uk)

If you are emailing a typed Word version of the form please print and sign a copy of this page (6) then either post, or scan and attach to email.

Please complete this box if you are sending your application by email:

Receiving Water

Name of Applicant

I certify that the declaration and signature above are made in respect of the information provided at pages 1 to 5 of this form
